Team #141 J. Schray
Team #142 C.Oehlers
Team #143 M. Pinson

Team #144 A.Lindberg

All Games Played on Mondays

April 2, 2018 5:30 PM Team #141 vs. 144 6:45 PM Team #143 vs. 142	April 9, 2018 5:30 PM Team #141 vs. 143 6:45 PM Team #142 vs. 144
April 16, 2018 5:30 PM Team #141 vs. 142 6:45 PM Team #144 vs. 143	April 23, 2018 5:30 PM Team #143 vs. 142 6:45 PM Team #144 vs. 141
April 30, 2018 5:30 PM Team #144 vs. 142 6:45 PM Team #141 vs. 143	May 7, 2018 5:30 PM Team #144 vs. 143 6:45 PM Team #141 vs. 142
May 14, 2018 5:30 PM Team #144 vs. 141 6:45 PM Team #143 vs. 142	May 21, 2018 5:30 PM Team #144 vs. 142 6:45 PM Team #141 vs. 143

Shin guards are required.

SAFETY REMINDER:
NO JEWELRY. NO CAST WHILE PLAYING.
DOGS ARE NOT PERMITTED ON PROPERTY

Welcome to the Huntington YMCA Youth Soccer Spring League 2018 season

The first game of the season is Monday April 2; the last game of the soccer season is scheduled for May 21. Cancellation of games: the league will play in light to moderate rain and muddy days (children love these days) but we will not play or practice during thunderstorms. Make-ups will be scheduled as soon as possible, and May be on a Sunday as a last resort. Contact information 304-522-0616 – leave message or teferrell@huntingtonymca.org

Thank you for entrusting your child to our youth sports program, it is a trust we embrace to provide a safe environment where children can grow as individuals developing good sportsmanship, team building skills, self-confidence and have fun while doing so. The YMCA staff checks the grounds and the equipment for safety concerns, if you see anything out of place –please let us know by contacting staff either at concession stand or a supervisor on the grounds. First aid kit is located at the concession stand, defibrillator is in the main building, and physical therapist from Scott Orthopedic has a tent outside the concession stand on Saturday mornings during games to help with any physical injuries.

Safety issue that has been in the news recently is “**concussions.**” Many people think of the soccer ball striking the head; the more likely event is of the head hitting something hard, such as the ground, another head, an elbow or a knee. The Huntington YMCA Youth Soccer League is following national safety standards by forbidding its youth players from heading the ball during practice or games, as the benefits of developing these skills are outweighed by the chance of a concussion occurring by doing them wrong at an early age.

What can you do as a parent? First, there is a very good video available on line from the C.D.C (Center for Disease Control) secondly monitor your child for symptoms, both immediate and delayed headache, migraine, confusion, amnesia (about the event), dizziness, “seeing stars,” ringing in the ears, nausea, vomiting, slurred speech, delayed response to questions, dazed, fatigue, balance issues, loss of consciousness. Remember these are just symptoms and reasons to have a physician to diagnosis your child, only a physician can do a proper diagnosis. Currently, commercial headgear is available on-line (search soccer headgear) they make no claims to reduce concussions- they will reduce the level of impact by about 30%.

To further your child’s safety, we do background checks on all YMCA staff/ volunteers and provide training in spotting potential abuse situations: such as, someone tries to spend time alone with child away from others. To report suspicious behavior and/or abuse contact Executive Director, Brian Byrd at 304-525-8127 or bbyrd@huntingtonymca.org. Registration for fall soccer is July 1-31, 2018. There will be eight different soccer camps this summer. I hope you and your child have a fun, enjoyable season.

A T Ferrell soccer coordinator
